Subject

Petition from M Sadagopa Char, Assistant master, Chamarajpet Girls' school, Bangalore, appealing against the order of the DGE of Education confirming an acting teacher on Rs 11, in preference to the Petitioner who is now drawing Rs 9 and who has put in 9 years' service

The Petition Regd No. 457 dated the 18th August 1903 was received in the Secretariat direct from the Petitioner but it was returned to him for forwardal through the head of the Department (Edn) The DGE now forwards the petition with his report on the facts of the case From this it ~~is clear~~ appears that the petitioner was not given the vacancy on Rs 11 inspite of his long service, the reason that there was

was a better qualified man available, who was acting for some time on Rs 11. Further, it is reported that the petitioner is not the only man who has been overlooked but there are four others, all possessing only similar qualifications like himself

Submitted for orders ~~to date~~

Under these circumstances, I think that Petitioner may be informed that Govt decline to interfere with the orders passed by the Insp[r] Genl

Inspector General of Education in Mysore,

To

SIR,

In submitting an Appeal Petition of the 18th August last, sent to Government by M. Satagopachar, Assistant master of the Chamarajapete Girls' School, Bangalore, and returned to him under Endorsement No 457 of 24th Idem to be forwarded through his departmental superiors, I have the honour to report as follows on the facts of the case

An assistant master of the Government Girls' School, Bangalore on Rs 11 who had been on leave for a long time, resigned his post, and the Lady Superintendent recommended through the Deputy Inspector of Schools

the confirmation of the man that is acting in the place and who had passed the L S Examination both in Kannada and in English and studied up to the Matriculation Standard The Deputy Inspector in forwarding the recommendation stated that in filling up the vacancy the claims of five masters in the three Government Girls' Schools in Bangalore on salaries varying from Rs 8 to 10 might be considered But as the educational qualifications of these men were inferior some having passed no Examination whatever and none having passed anything higher than the Kannada L S Examination and as the acting man with his superior qualifications had been teaching the higher classes when necessary and doing the work of Clerk and as he had been acting on Rs 11 for a long time his confirmation was ordered

Petitioner is one of the five masters referred to above and appeals against the orders passed He has passed only the Shenai Primary Examination of Madras and even that in neither English nor Kannada but in Tamil and Telugu

I have the honour to be,
Sir,
Your most obedient servant

H J Bhabha
Inspector General
